From Your EO

This morning's sunshine is a welcome sight, hopefully you have been able to get some work done during the breaks. As you are building and remodeling more, please don't forget to take those discounts on over fifty items at ***HBAREbates.com*** and others at ***nahb.org/MA***

According to NAHB new home sales were up 4% in March and there is only an average of 5.2 months supply of new homes. That's good news if you are building. The remodeling news is also great, more people are remodeling now.

I know it's early but that's how we try to do things around here. Tim is already planning this year's golf tournament. The date is set for September 6th at Egwani Farms. He is ready to get the flyers printed as soon as we have a lunch sponsor. If you or someone you know would be interested, please let me or Tim Young know.

We are also looking for some new people on the Home Show committee which will start working on next years show the first Thursday in June which is June 7th. Let me know if you are willing to help.

Remember to take advantage of the member rebates both state and national listed on page one.

If you are in the market for a new GM or Chrysler vehicle, I have the paperwork in the office along with your membership number. Give me a call, it's worth \$500 on most vehicles.

Remember to invite someone to attend the May meeting with you.

Frances
