From Your EO

If you are a builder or remodeler who has signed up for the HBA Rebate program, the deadline to file your first quarter claim has been extended until Friday, May 26th. Go to www.HBARebates.com to claim your rebate.

The office will be closed for vacation next week. Remember the **June 5th** board meeting and the **June 8th** general membership meetings. We missed some of you at our May meeting, thanks 84 Lumber for a delicious lunch. Hope to see a great turnout in June.

Thanks to all of our veterans who have served our country, many who gave their life so that we could be free. We are a blessed nation because of you.

Have a safe and Happy Memorial Day weekend and a great summer filled with fun, family and friends.

Frances

Attention: All Licensed Contractors

The Contractors Licensing Board no longer sends out license renewal notices. Contractor's failing to complete the license renewal within 12 months of the expiration date, would need to complete a new license application.

If you forget, you won't have to take the exams again, provided you have been active in the industry the past two years. You will have to follow all of the steps in the application process.

So be sure to check your renewal date if you don't want to have to go through the application process again. For more information go to
