## ***From Your EO***

So far I haven't heard from anyone who is willing to be a part of the nominating committee for the coming year. The first thing we need is a chairman to head up the committee, then a couple of people to help. It really doesn't take a lot of time, maybe a couple of meetings and some phone calls. Please help us out if you can at all, we need to have next years officers ready to present at the November board meeting. Vice President, Jason Blair will be leading our association in 2018.

The golf tournament went well, Tim will have a report at Thursday's meeting at which time we will present a check to Haven House.

The breakfast was great with approximately 80+ in attendance. This is always a fun time and we really appreciate all our members, both builders and associates.

Home Show is going great with weekly meetings and all sponsors in place. Please send me an email to reserve your spot. The deposit is due in November. A contract is attached to this email. I think most of you will like that we will be closing early on Saturday night, which is always a slow night.

Hope to see all of you Thursday, please invite a prospective new member.

***Have a great weekend!***
